Inaugural

Louisville's Most magnificent Mens store threw open its doors for the first time on Saturday, December This store has been commented upon generally as the most magnificient men's institution in the South. Expecting to be ready with our inaugural AT LEAST 3 MONTHS AGO, and being delayed by causes beyond our control, we are now forced to an immediate disposal-a "Housecleaning" at the very inception of our business. Rather than carry over any stock we determined to give the people of this vicinity, the most remarkabbe values in the clothing history tory of Kentucky. You will save much more than your car fare by visiting this great sale.

\$100,000 Stock Must be Sold Quick

Read What You Get For the Money

Take your unstricted choice of every \$10 and \$12 men's suit and overcoat in the store. All brand new goods; nothing old or shoppy at the "late-season" price \$8.50

The "Live Store" is to be known throughout this section of the country as "The home of Kuppenheimer Clothes"; in the inauguration of a new establishment where these fine garments were to receive their just recognition The House of Kuppenheimer did themselves proud in selecting extra fine models for this Accordingly, here we show now at the \$13.50 price, several hundred genuine Kuppenheimermade suits and overcoats in all the season's most fashionable fabrics, together with the best products of highly regarded makers. Kup-penyelmer Clothes have

never been sold on earth at such a price. We need not argue with you when we say that you may now have your selection of several hundred of these brand new garments, tailored for this Fall's trade, now priced regardless of profit and with the sole idea of reducing this stock. All this lot is special at the "late-scason" price of \$13.50

Of course you know just as well as we do that we cannot sell you \$30 or \$40 clothes for \$16-nobody can; furthermore, as far as we are concerned, you can always trust us not to make an exaggerated statement. However, here are exactly 162 suits and overcoats from The House of Kuppenheimer marked in this stock early in the Fall to sell for \$20. You will find practically every new model; all the highgrade fabrics. Shawl collar coats; great coats; belted-back coats; twobutton English suits; double-toned fabrics; all pure wool and guaranteed both by the maker and by us. While this one lot lasts, special at the "late-season" price \$16.00

You will never again find such thoroughly high-grade garments as we are offering now for \$19. This price scarcely represents the wholesale maker's cost. We would much rather have \$19 for them now than to carry them over until another season and then sell them at this price or less. We give you the most wonderful of values in Kuppenheimer's best \$25 suits, and by so doing, cement friendship for this "Live Store." We can't quately describe them here, but be on hand during this sale and put us to the test of proving that every \$25 suit and overcost in this stock s now special at the \$19.00 'late-season' price of

Throughout the entire stock similar reductions prevail. We guarantee to save you at least 25 per cent. Visit us and learn of the live, up-to-date methods characterizing this "Live Store." Money back on request. No one urged to
